July 30, 2011. What happens at Warped stays at Warped with the exception of OFC insider band interviews! Interview with JR, saxophone player for ska punk band Less Than Jake, took place at [Vans Warped Tour](#) in West Palm Beach. JR chats about the band's new EP "Greetings From..." with brand new songs and DVD box set called "Anthology" (which collects live full album concerts of PEZCORE, LOSING STREAK, HELLO ROCKVIEW, BORDERS and BOUNDARIES, ANTHEM, IN WITH THE OUT CROWD, plus bonus footage).

The sax player from Gainesville talks about Less Than Jake's international appeal and his perspective, as a Florida based band, playing gigs abroad. JR shares his thoughts and reaction to the death of Amy Winehouse and much more.

Check out [Less Than Jake official website](#) to purchase the new EP and get the latest news on the band!
