PITBULL

July 31, 2012. Pitbull was in good spirits yesterday after an online prank landed him in Kodiak, Alaska, for a performance. During his trip the rapper took to Twitter to share photos with fans.

Earlier this summer, journalist David Thorpe thought it would be fun to exile Mr. Worldwide to Kodiak after he revealed his promotional campaign with Walmart and Sheets energy strips. The main city off Kodiak Island, Kodiak is only accessible via ferry or airplane. [Read the full story on CBS Local](#)

Pitbull And Shakira Get Things Started In New Video! A slight departure from what's expected of Mr. Worldwide, Pitbull's latest video begins with slow strokes of the piano before he kicks into his signature club-tastic beats.

"Now baby lets get started for life," he raps on "Get It Started" before the video cuts to Shakira.
