Later tonight, JASON BONHAM's LED ZEPPELIN EXPERIENCE will perform to a sold out crowd under the stars at the Greek Theatre. The show--a tour de force--is a spectacular rock concert with iconic Led Zeppelin rock songs, stunning atmospheric video and light effects which highlight the unique history that JASON BONHAM shares--in commemoration of his father John Bonham--with the legendary rock n' roll band.

JASON BONHAM's LED ZEPPELIN EXPERIENCE (JBLZE) features BONHAM on drums, TONY CATANIA on guitar and theremin, STEPHEN LEBLANC on keyboards/pedal steel guitar, DORIAN HEARTSONG (in for Michael Devin) on bass and JAMES DYLAN on lead vocals. The band's powerful live performance of Led Zeppelin's classics takes concert-goers through a mesmerizing visual and aural journey as giant backdrops display iconic art, and BONHAM's own historical video footage and photos give the show an intimate feel. Show highlights include a heartfelt duet with JASON performing "Moby Dick" off Led Zeppelin II alongside video of his late father. JASON is honored to perform 20 hand-picked favorites encompassing the band's albums including their 1969 debut Led Zeppelin ("Your Time Is Gonna Come," "Babe I'm Gonna Leave You"), 1969's Led Zeppelin II ("Thank You," "Lemon Song"); 1970's Led Zeppelin III ("Celebration Day"); 1970's Led Zeppelin IV ("When The Levee Breaks" and "Rock and Roll"); 1975's Physical Graffiti ("Kashmir") and many more Led Zeppelin favorites.
