

Wednesday, January 25, 2012. Margaritaville® Online™ is officially LIVE! Invite your friends to grab a frozen concoction and live the tropical island dream online. Play laid-back mini games, explore lush islands, and party with your friends. It's not just a game... it's a lifestyle!

Margaritaville® Online™ is an everyday escape to a tropical paradise inspired by the lifestyle of author and singer-songwriter, Jimmy Buffett. Friends play and party in the islands in a stunningly immersive 3D virtual world filled with margaritas, music and adventure.
