Beyoncé's Performance was a Well-choreographed Acting Job

The Marine Corps Band let the cat out of the bag, Beyoncé lip-synced the National Anthem!

"Oh, my God! You're best friends with Michelle and you faked it! I am very upset," said a source close to the Obamas. "I would like my three minutes back."

The Grammy-award winner's decision to use a taped version of "The Star-Spangled Banner" stunned the first family, which handpicked her for the occasion.

Beyoncé's dazzling rendition of the National Anthem at President Obama's inauguration was a total fake — with the megastar lip-syncing as the Marine Corps Band merely pretended to play its instruments, sources said yesterday.
