1/10/2014 9:50 AM PST BY TMZ.com . Justin Bieber caught eggin' his neighbors on! Recently obtained video of the incident ... shot by the neighbor, who says Justin was definitely trespassing on his property during the attack. The video is dark, but you can hear the neighbor yelling, "I see you. I f**king see you!"

Then Justin yells back, "F**k you! I got another one for you, actually!"

They keep yelling back and forth for about 30 seconds, until the neighbor tells his 13-year-old daughter -- who sounds terrified -- to call the cops.

By the way ... we're told Justin is now a suspect in a vandalism investigation. The police report calls it a misdemeanor, but the victim tells us the damage to his property far exceeds \$400, which means this could easily become a FELONY. Allegedly the L.A. County Sheriff was called to the scene while the eggs were still flying! Read more on tmz.com to view the video.
