**** Flaming Lips Cancels Performance at SunFest**

Wed, Apr 28, 2010 - Due to unforeseen circumstances SunFest is announcing a last minute schedule change. The Flaming Lips have withdrawn from the festival.

We regret any inconvenience that this may cause. The performance of any band is in the hands of the artists, not the festival. As a result, our longstanding policy is that the schedule is subject to change and no refunds will be given for festival tickets. Festival tickets are good for any one day of the five days. SunFest has been informed that the cancellation is due to the hospitalization of Steven Drozd and therefore extends wishes for a speedy recovery.
